

CT Center
Training Center

OBJECTIVES

To increase your knowledge of the principles and functionality of the equipment, and to provide information which will enhance interpretation of the results.

To master the factors likely to influence results.

To discover the wide range of applications (selection of raw materials, monitoring of the production process, quality control of the finished product, etc.).

To learn the primary elements of preventative maintenance of your equipment.

"Confirm best practices, discover first-level maintenance and feel more comfortable in daily handling."

Marc Provot, Head of Laboratory, InVivo Labs, France

PARTICIPANTS

- Application: First and second transformation of cereals / Selection / Storage / Ingredients / etc.

- Position: R & D, quality or production managers / Laboratory operators / Researchers / Teachers / etc.

"I met professionals from other trades in the cereal industry, which enabled me to enrich my network."

Christelle Detty-Mambo, Technical Engineer - Laboratory Assistant, InVivo Labs, France

TRAINERS

Participants in the CT Center course will benefit from the expertise of our application laboratory scientists and engineers.

"This is a great opportunity to benefit from the experience and know-how of the CHOPIN Technologies team."

Kristina Pizzi, Technical Specialist, Analytical Services CIGI, Canada

FORMATIONS

MIXOLAB

Duration: 2 days (14H)

Day 1

- Fundamentals of cereals chemistry
- The Mixolab principle
- "Hands on" practice
- Factors influencing measurement
- The Simulator
- Applications

Day 2

- Applications
- Using the Profiler
- Preventative maintenance
- Precise measurement control

CUSTOMIZED TRAINING

Customized training is the ideal solution for your specific training needs. We are able to customize a program to meet your needs in terms of dates, places and contents.

CT Center

Training schedule, fees, registration, customized training and practical aspects on: ctcenter@chopin.fr • Tel : +33 1 41 47 50 92 • www.chopin.fr

Inscription rate 2018: 1800 € per person.

(1500 € VAT excl. at the purchase of a CHOPIN equipment)

Location: Villeneuve-la-Garenne, France

Number of participants:

Maximum 8 people per session

Training languages used:
